

PALS

Pride and Life Skills Mentoring Program

LOOKING TO LEND A HAND?

NEED A FEW MORE CREDITS?

PALS (The Pride and Life Skills mentoring program) is a collaborative venture between The Ohio State University at Marion, The Boys and Girls Club of Marion County and Marion Public Schools to provide a mentoring program that benefits elementary and middle school students as well as college students. PALS provides a unique one-on-one mentoring experience that enables kids to interact and grow. In addition to making a new friend, students will earn 1 credit of independent study!
