

Student: Now, the other question about the headings thing, if you don't mind just taking a scan at it?

Instructor: Yeah and so, remind me you're APA or MLA?

Student: APA

Instructor: Okay, yep, so that--yes, so Literature Review would be there and then that's the Intro--you probably don't really need the introduction heading I think you could just start right in to Literature Review, since you don't have anything before it.

Student: Okay.
