

Student: Yeah so I'm pretty much--so I think what I'm gonna say, because what I ended that paragraph with about, like, [reading from paper] "The portion of Maybe and Others, including Speech Path, Nursing, BioChem, Regional Planning, Theater, Respiratory. Within those responses was three participants who did have immediate family while the other six did not."

Instructor: Mm-hm.

Student: So [reads what she's typing] "This," well, "These." ... Oh, well. ... "Responses." ... If I could spell. ... "were shocking in the terms of some of the majors being"

[silent while typing]

Student: Can not spell.

Instructor: [chuckles]

Student: [laughs] Um, "they have on educations and what it can do in their field.

Instructor: Yeah, and...
